Meaning of Consciousness

Consciousness means being able to use one's sense and mental powers to understand events happening at particular point in time. Consciousness is the state or quality of awareness, or, of being aware of an external object or

something within oneself. It has been defined as: sentience, awareness, subjectivity, the ability to experience or to feel, wakefulness, having a sense of selfhood, and the executive control system of the mind.

### **National Consciousness**

National Consciousness is the level of a person's awareness of issues and happenings in the nation and how they affect him/her and others in the nation. It is the love and affection for oneself. This self awareness that translates to self consciousness.

### **National Identity**

National Identity is the act of belonging and identifying with a nation. It is represented by the symbols, beliefs, culture and heritages for which the country is known and identified with. These include national symbols like currency, pledge, national anthem, coat of arms, etc. National identity is...
