

FIRST TERM E-LEARNING NOTE

SUBJECT: AGRICULTURAL SCIENCE

CLASS: JS3

SCHEME OF WORK

WEEK TOPIC

1	REVISION OF JSS 2 WORK
2	PACKAGING IN AGRICULTURE
3	BRANDING: DEFINITION, ADVANTAGES AND DISADVANTAGES
4	PRICING OF AGRICULTURAL PRODUCE
5	ADVERTISING IN AGRICULTURE
6	MARKETING IN AGRICULTURE
7	FARM RECORDING
8	BOOK KEEPING
9	FARM ACCOUNT I
10	FARM ACCOUNT II
11	REVISION

REFERENCE BOOKS

1. Junior Secondary Agricultural for Nigeria School Book 3. By Anthony etal.
2. Prescribed Agricultural Science for Junior School by: S.A. Omoruyi etal.

WEEK TWO

TOPIC: PACKAGING IN AGRICULTURAL

CONTENT

- Meaning of Packaging
- Purpose of Packaging
- Criteria for selecting packaging materials
- Types of packaging materials

MEANING OF PACKAGING

Packaging is the act of wrapping or enclosing agricultural products in a suitable material that will protect them when they are being transported from farms to markets and displayed in shops for people to buy.

PURPOSE OF PACKAGING

1. To protect the product from being damaged when they are transported from the farm to the stores and markets.
2. To protect farm products from
