Comprehension: Reading to grasp words meanings in various contexts.

Commonly Misspelt Words

**Comprehension: Reading to grasp words meanings in various contexts.**

- **Content:**

- **Reading**

Contextual Usage of Words

The passage in unit 8 page 133 makes comparison between men and women from some findings, it is concluded that men interrupt discussion more than women. Also, it's recorded that certain men consistently dominate talk in any conversation.

Words can give various meanings in various contexts, for example; the word 'man' can be used to have various meanings in various context e.g. That man is my father. 'man' in this context means an adult male human being.

### EVALUATION

State the synonyms of the following:

1. Appreciate
2. Debt
3. Forgiveness

He was assigned to man the gate of the company. 'man' here means guide, He is to man the office 'man' here means take charge, or manage.

In the passage read, the word 'sex' as used in the passage means 'gender'.

In another context it could mean an intercourse between a male and a female.

'leave' in the first line of the second paragraph means 'make.' 'leave' could also mean vacate or a short break from work.

### EVALUATION

Give another word to the underlined words as used in the passage

1. The woman railed profusely when talking
2. I have walked down the rail on the stair case
3. The rail is risky for vehicles to cross

### READING ASSIGNMENT

Unit 10 page 162 of the Effective English.
