### **TOPIC; GHANA EMPIRE**

#### **EARLY HISTORY OF GHANA EMPIRE**

Ghana empire was one of the earliest known negro empires recorded by historians, it was first mention by an Arab geographer, Al-fazari, in Ad773 in his book Al-masudi, where he referred to it as a land of gold.

According to Al-Bakri an Arab traveller in his writing in AD 1067, reveals that the name; Ghana was the title of the Soninke king called Auokar which means war chief,

It was not certain how and when Ghana was founded, but...
