Sub-theme: Common Crimes and security management

Week 1

**Security Agents**

Performance Objectives:

Students should be able to:

## 1. Explain security Agents.

### Content

#### Security Agents

Security agents are government officials who conduct intelligence activities for the internal and external security of a nation.

They are the domestic cousins of foreign intelligence agencies, and typically conduct counterintelligence to thwart other countries' foreign intelligence efforts.

The following are examples of Nigerian security agents:

1. Nigeria Police Force (NPF)
2. Nigeria Security & Civil Defense Corps (NSCDC)
- 3...
